**WESTERN'S NOTICE OF CORRECTION TO ITS MEMORANDUM
IN OPPOSITION TO GSE'S MOTION TO COMPEL PRODUCTION OF
DOCUMENTS BY WSC IN RESPONSE TO GSE'S SECOND REQUEST FOR
PRODUCTION OF DOCUMENTS**

Defendant and Third-Party Plaintiff, Western Services Corporation ("Western"), files this Notice to correct an inadvertent error made in its Memorandum in Opposition to GSE's Motion to Compel Production of Documents by WSC in Response to GSE's Second Request For Production of Documents ("Opposition"). GSE's Motion to Compel and Western's Opposition are not yet before the Court as the parties are trying to resolve the disputes informally. Nevertheless, as required by the Local Rules, Western's Opposition was docketed as

a Notice of Opposition¹ on October 20, 2003 (GSE's Motion to Compel was docketed as a Notice of Service of Motion to Compel on October 26, 2003).

1. The Opposition incorrectly states in Part I(B) that GSE's Motion to Compel was untimely because it was not filed within thirty days of receiving Western's responses, as required by Local Rule 104.8(a). In fact, Western's counsel had agreed to grant GSE an extension of time to file its Motion to Compel. The attorney that granted the extension, however, was not the same attorney who drafted the Opposition and the fact of the extension was not communicated to the drafting attorney. Western sincerely apologizes to the Court and to GSE's counsel for this inadvertent error.

Respectfully submitted,

WILLIAMS & CONNOLLY LLP
